

ACADEMIC SKILLS COURSE (ASC)

ASC 087 Effective Writing (3 Credits)

This course is a fundamental English course designed to aid the student in acquiring the basic skills needed for college-level writing. Primary emphasis is placed on sentence and paragraph development, with additional attention given to grammar, punctuation and vocabulary usage. Credit earned does not count towards any degree, nor does it transfer.

ASC 090 Pre-Algebra I (2 Credits)

This course improves basic computational skills; addition, subtraction, and multiplication of whole numbers, fractions, decimals, and integers. Credit earned does not count towards any degree, nor does it transfer.

ASC 091 Pre-Algebra II (2 Credits)

This course is designed for students who need a refresher prior to entering the required math courses for their degree. Topics include operations with integers and fractions, orders of operation, simplification and evaluation of expressions, and evaluation of one and two step linear equations. Study skills will be incorporated throughout the course. Credit earned does not count towards any degree, nor does it transfer.

Prerequisite: ASC 090 or placement test
