## Program Learner Outcomes

Graduates of the UTTC Social Work AS degree program will:

1. Distinguish functions within generalist social work practice.
2. Examine tribal, county, state, and federal policies used in the social work profession.
3. Explain the interaction of culture and environment in microsystems in which people engage.
4. Appraise social welfare policies that impact micro, macro, and mezzo practice.

<sup>1</sup> Denotes Native Studies institutional requirement.
